VISION & MISSION OF THE INSTITUTE

VISION

To be the institute of excellence by imparting quality education and transforming students into competent professionals with societal relevance.

MISSION

To practice innovative & outcome-based teaching learning process.

To imbibe conducive research ambience towards developing environment friendly engineering solutions.

To strengthen the interactions with Industries for research, internships, employment opportunities & promoting entrepreneurial skills.

To accelerate equitable & harmonious development of stakeholders.

VISION

To be premier civil engineering department to developing quality technical manpower that aims at socio-economic development.

MISSION

- By dispensing quality technical education for intellectual development of students using modern civil engineering tools.
- By enhancing research abilities of students for fostering innovations and noble solutions.
- By cultivating industry institute interaction culture for employability and entrepreneurship.
- By creating awareness towards ethics and responsibilities for better civilizations.

Department Vision, Mission

Vision :-

To create professionally competent engineers and entrepreneurs in the field of electrical engineering for the benefit of society.

Mission:-

- To impart quality engineering education as per curricula and industry need.
- To motivate and create awareness in the students to undertake higher studies & research in the field of electrical engineering.
- To create an environment that shall foster growth of professionals capable of effectively using the scientific and technical knowledge for the betterment of mankind

Quality policy:-

We promise a copnducive environment to our faculty, staff and students to realize the vision.

Environment Policy:-

"Green Sanjeevan, Clean Sanjeevan"

SWOC ANALYSIS OF THE DEPARTMENT

Strengths:-

- Harmonious relationship among the members of the management, staff, students and parents. Well qualified, dedicated experienced faculty & highly efficient support staff.
- Representation by a large number of faculty members in Board of Studies contributing to curriculum design and implementation.
- Well Equipped Laboratories with Latest Machinery and Equipments.
- Wide range of extension, co-curricular and extra-curricular activities.

Weaknesses:-

- Diverse student community
- Due to the economic background of students and the paucity of time available to them, limitation on implementing of value added courses.
- Lack of highly qualified and experienced senior faculty at higher position.
