Date & Time: 17.10.2023 at 11:00 AM

Venue: Central Drawing Hall

An guest lecture on"Women's Opportunities in Government Sector" for computer students was held on 17 th October,2023. The guest lecture has been organized by Women Empowerment Cell at SETI Panhala.

The lecture aimed to highlight the various pathways available for women in government roles, the historical context, current opportunities, advantages, challenges, and success stories of women who have made significant contributions in public service.

Keypoints:

I. Advantages of Government Jobs

The lecture highlighted the benefits of government jobs for women:

- Job security and stability.
- Comprehensive benefits including health insurance, retirement plans, and paid leave.
- Better work-life balance with flexible work hours and telecommuting options.

WOMEN EMPOWERMENT CELL SETI PANHALA

2. Challenges and Barriers

Despite the progress, the speaker acknowledged the ongoing challenges faced by women in government roles:

- Gender bias and discrimination.
- Workplace harassment.
- Balancing demanding careers with personal responsibilities.
- Underrepresentation in senior and leadership positions.

3. Programs and Initiatives for Women

The lecture shed light on various programs and initiatives designed to support and empower women in government:

- Leadership training programs.
- Mentorship opportunities.
- Affirmative action policies.
- Support networks and advocacy groups.

The lecture concluded with a message of encouragement, urging more women to pursue careers in the government sector. The speaker emphasized that while challenges persist, the continuous efforts to promote gender equality and support women's advancement are creating a more inclusive and representative governance.

The lecture was followed by an engaging Q&A session, where attendees had the opportunity to ask questions and share their thoughts. The interactive session provided further insights and allowed for a deeper understanding of the discussed topics.

Overall, the guest lecture was a resounding success, providing valuable information and inspiration to all attendees. The discussion on women's opportunities in the government sector highlighted the progress made and the ongoing efforts needed to achieve true gender equality in public service.

The session ended with with vote of thanks proposed by Prof. A.M.Momin where in she thanked the management and Dr. S.N.Jain, Principal of Sanjeevan Engineering and Technology Institute Panhala for extending their support to organize guest lecture.

Occasion: International Women's Day

Date: 12/03/2024

Venue: Central Drawing hall

Speaker: Judge Mrs. K. J. Khomane

Sub: Right of the women

On the auspicious occasion of International Women's Day, our organization had the honor of hosting a distinguished guest lecture by Judge Mrs.K.J.Khomane, an eminent advocate for women's rights.

The event commenced with a brief introduction by **Dr.S.N.Jain**, who highlighted the significance of International Women's Day and the ongoing struggle for women's rights worldwide. The audience was then introduced to Judge **Mrs.K.J.Khomane**, whose extensive work in the field of gender equality has garnered widespread acclaim.

Judge Mrs.Khomane elaborated on the various legal frameworks that have been instrumental in advancing women's rights. She discussed key legislation, such as the Violence Against Women Act and the Equal Pay Act, emphasizing their impact on women's lives. She also highlighted recent judicial rulings that have furthered gender equality.

Mrs.Khomane stressed the importance of education and awareness in combating gender inequality. She advocated for comprehensive sex education, gender sensitivity training, and public awareness campaigns as crucial tools in the fight for women's rights.

A key highlight of the lecture was the emphasis on empowering women to take on leadership roles. She shared inspiring stories of women leaders who have shattered glass ceilings and made significant contributions to their fields. She encouraged the audience to support and mentor women in their personal and professional lives.

The event concluded with a vote of thanks from **Mrs.A.M.Momin** , who expressed gratitude to Judge **Mrs.K.J.Khomane** for her enlightening and motivating lecture. The lecture not only deepened the audience's understanding of women's rights but also inspired a renewed commitment to gender equality.

Four Days Workshop on "Life Skills Development"

1. **Title of Workshop :** Life Skills Development
2. **DateofWorkshop:** 12Th To 15th Sep. (From 9:30 am to 4:15 pm)
3. **KindofActivity:** Hands on Entrepreneurial skills Training
4. **Organized By :** Training and Placement Cell & Department of Basic Sciences and Humanity
5. **Collaborating Agency:** Rubicon, Pune.
6. **Resource Person /Trainer :** Mr. YogeshRahane, Miss.ShankriVaidyaand Tanushree Madam
7. **Objective of Training Program:** Develop students' capacity for ideation, effective presentation, and clear verbal and written communication.

A report on the Soft Skills Program conducted for the First Year B. Tech engineering students of Sanjeevan Engineering and Technology Institute Panhala. The program, held from 12th Sept to 15th 2023, aimed to equip students with essential soft skills to complement their technical knowledge and enhance their overall employability.

1. **Background**: Recognizing the increasing importance of soft skills in the professional world, Sanjeevan Engineering and Technology Institute Panhala initiated the Soft Skills Program to bridge the gap between technical expertise and interpersonal proficiency. The program was designed to empower engineering students with the communication, teamwork, leadership, and problem-solving skills essential for success in their future careers.

2.Objective: The following were the main goals of the Soft Skills Program:

a. **Communication Skills**: Develop students' capacity for ideation, effective presentation, and clear verbal and written communication.

b. **Teamwork and Collaboration**: Help students gain an awareness of good teamwork, team dynamics, and how to get along with a variety of group members.

c. **Leadership Skills**: Develop your ability to make decisions, inspire and motivate people, and exercise leadership in a work environment.

d. **Critical Thinking and Problem-Solving Skills**: Give students the tools they need to think critically, tackle complicated problems methodically, and solve analytical difficulties.

e. **Time Management and Stress Management**: Help students manage their time and stress effectively so they can balance their personal and academic obligations.

3. Program Elements: Taught by seasoned instructors and business experts, the Soft Skills Program included a number of interactive workshops, seminars, and sessions. Among the elements of the program were:

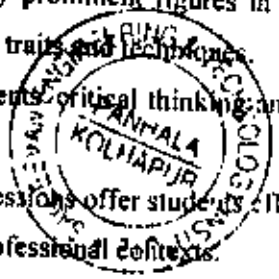

a. **Communication Workshops**: Interactive classes aimed at enhancing written and vocal communication abilities, such as business writing, public speaking, and efficient interaction in work environments.

b. **Team-building Activities**: Interesting games and activities that encourage collaboration, teamwork, and efficient group communication.

c. **Leadership Seminars**: These are talks and debates facilitated by prominent figures in the field to enlighten students and motivate them with regards to good leadership traits and techniques.

d. **Problem-Solving Labs**: Hands-on lessons designed to hone students' critical thinking and problem-solving abilities using case studies and real-world settings.

e. **Time and Stress Management Workshops**: These instructional sessions offer students effective time-management and stress-reduction strategies for both academic and professional contexts.

4. Student Input: The vast majority of pupils who took part had positive feedback. They conveyed gratitude for the program's application in the real world and its ability to have a big influence on their career advancement. Pupils stated feeling more assured about their ability to communicate and realizing the value of soft skills for their future employment.

5. Suggestions: Considering the efficacy of the Soft Skills Program, we suggest including soft skills education into the engineering curriculum on a regular basis. Such programs can be made even more effective by including real-world scenarios and continuing to collaborate with industry professionals.

6. Conclusion: Sanjeevan Engineering and Technology Institute Panhala made a great effort with the Soft Skills Program to give engineering students the fundamental interpersonal skills needed to succeed in the workplace. We have high hopes that the soft skills our students have gained will help them grow as individuals and better equip them for the workforce.

We appreciate your dedication to improving the educational experience at Sanjeevan Engineering and Technology Institute Panhala and your support. We eagerly anticipate new projects focused on our pupils' overall growth.

All the students of F.Y.B.Tech are hereby informed that we are thrilled to invite you to our upcoming **Technical Event in PARIKRAMAA 2K 24,** an incredible opportunity to expand your knowledge, network with industry professionals, and showcase your skills. Here are the details:

Event:- POSTER PRESENATION
Date:28/03/2024
Time: 9.30 AM onwards.
Venue:BASIC SCIENCES AND HUMANITIES DEPARTMENT

Highlights of the Event:

- **Keynote Speakers:** Hear from leading experts in the field who will share their insights on the latest trends and innovations.
- **Workshops:** Participate in hands-on workshops designed to enhance your technical skills and knowledge.
- **Competitions:** Test your abilities in various competitions and stand a chance to win exciting prizes.
- **Networking:** Connect with industry professionals, faculty, and fellow students to build valuable relationships.

How to Register:

1. Visit [Registration Link].
2. Fill out the registration form.

Don't miss out on this fantastic opportunity to learn, compete, and connect. We look forward to seeing you there!
For any queries, please contact [Prof.nasrinG.Khan] at [nasrin.khan@seti.edu.in] or [Contact Number-7276224293].

Report on Poster Presentation Competition in PARIKRAMAA 2K24

Date:28th March, 2024.

Venue: At Corridor of BSH

Introduction:

Poster presentation competition held at Sanjeevan Engineering and Technology Panhala was an electrifying event showcasing the talent and enthusiasm of our newly admitted F.Y. B. Tech. students. Organized by the Department of Basic Sciences and Humanities in collaboration with the Radio Mirchi Kolhapur, the contest aimed to provide a platform for freshmen to exhibit their skills and to foster a sense of camaraderie within the college community

Poster presentation competitions are an integral part of academic environments, particularly in engineering colleges, where they serve as platforms for students to showcase their research, innovative ideas, and projects. These competitions provide students with opportunities to enhance their communication skills, network with peers and professionals, and gain recognition for their work. This report outlines the significance, objectives, organization, and outcomes of a recent poster presentation competition held in an engineering college.

Significance: Poster presentation competitions play a crucial role in fostering a culture of innovation and research among engineering students. They encourage students to delve deeper into their areas of interest, conduct research, develop prototypes, and present their findings in a concise and visually appealing format. These competitions also promote interdisciplinary collaboration, as students from various engineering disciplines come together to share ideas and knowledge.

Objectives: The primary objectives of the poster presentation competition were:

1. To provide a platform for students to showcase their research projects, innovative ideas, and prototypes.
2. To enhance students' communication and presentation skills.

Scanned with Oken Scanner

3. To foster collaboration and networking among students, faculty, and industry professionals.
4. To recognize and reward outstanding student projects and innovations.
5. To promote a culture of research and innovation in the engineering college.

Organization: The poster presentation competition was organized by the college's academic committee in collaboration with various student clubs and industry partners. The organizing committee comprised faculty members, student representatives, and industry experts who oversaw the planning, coordination, and execution of the event.

The competition was open to all undergraduate and postgraduate students enrolled in engineering programs at the college. Participants were required to submit abstracts of their projects or research papers for review by a panel of judges. Shortlisted candidates were then invited to present their work in the form of posters during the competition.

The posters were evaluated based on criteria such as content clarity, visual appeal, technical depth, novelty of ideas, and oral presentation skills. The judging panel comprised faculty members, industry professionals, and experts from relevant fields who provided valuable feedback to the participants.

Outcomes: The poster presentation competition witnessed enthusiastic participation from students across various engineering disciplines. The event provided a platform for students to showcase a wide range of innovative projects and research findings, spanning areas such as renewable energy, artificial intelligence, robotics, sustainable infrastructure, and more.

Participants demonstrated excellent communication skills and technical knowledge while presenting their posters to the judges and attendees. The competition also facilitated meaningful interactions and networking opportunities among students, faculty, and industry professionals, paving the way for potential collaborations and partnerships.

Several outstanding projects were recognized and awarded prizes based on their merit and impact. The competition not only celebrated student achievements but also inspired others to pursue research and innovation in their respective fields.

Conclusion: The poster presentation competition in the engineering college proved to be a resounding success, fulfilling its objectives of fostering innovation, promoting communication skills, and facilitating collaboration among students. Such events play a vital role in nurturing a culture of research and innovation, ultimately contributing to the academic and professional development of engineering students. It is imperative to continue organizing such competitions to inspire and empower the next generation of engineers to push the boundaries of knowledge and technology

Report on Radio Mirchi's Contest MirchiFresher's of the Year

Date:5th February 2024

Venue: Drawing Hall

Introduction:

The Fresher's of the Year Contest held at Sanjeevan Engineering and Technology Panhalawas an electrifying event showcasing the talent and enthusiasm of our newly admitted F.Y. B. Tech. students. Organized by the Department of Basic Sciences and Humanities in collaboration with the Radio Mirchi Kolhapur, the contest aimed to provide a platform for freshmen to exhibit their skills and to foster a sense of camaraderie within the college community.

Event Highlights:

Talent Showcase: The event commenced with a diverse array of performances by the fresher students. From mesmerizing dance performances to soulful musical renditions, the stage was ablaze with talent and creativity.

Introduction Round: Each participant was given an opportunity to introduce themselves, providing insights into their background, interests, and aspirations. This round allowed the audience to get acquainted with the fresh faces joining our college.

Question-Answer Session: Following the introduction round, participants engaged in a lively question-answer session. They were quizzed on a variety of topics ranging from current affairs to their academic interests. This segment not only tested their knowledge but also their ability to think on their feet.

Talent Hunt: The highlight of the event was the talent hunt segment, where contestants showcased their unique talents. From stand-up comedy acts to magic tricks, the participants left the audience spellbound with their performances.

Judging Panel: The contest was judged by a panel of three Radio Jokey namelyrespective, Manish, Pallavi and Anagha. Their expertise and impartiality ensured a fair evaluation of the participants' performances.

Conclusion:

The Fresher's of the Year Contest was a resounding success, thanks to the enthusiastic participation of our freshmen and the dedicated efforts of the organizing committee. The event not only provided a platform for students to showcase their talents but also served as a platform for building connections and fostering a sense of belonging within the college community. We look forward to organizing similar events in the future to continue nurturing the talent and spirit of our students.

Entrepreneurship Development Programfor First YearEngineering Students

1. Title: Entrepreneurship Development Program for First-YearEngineering Students

2. Date of Lecture: 28th February 2024 (11:20 to 1:20)

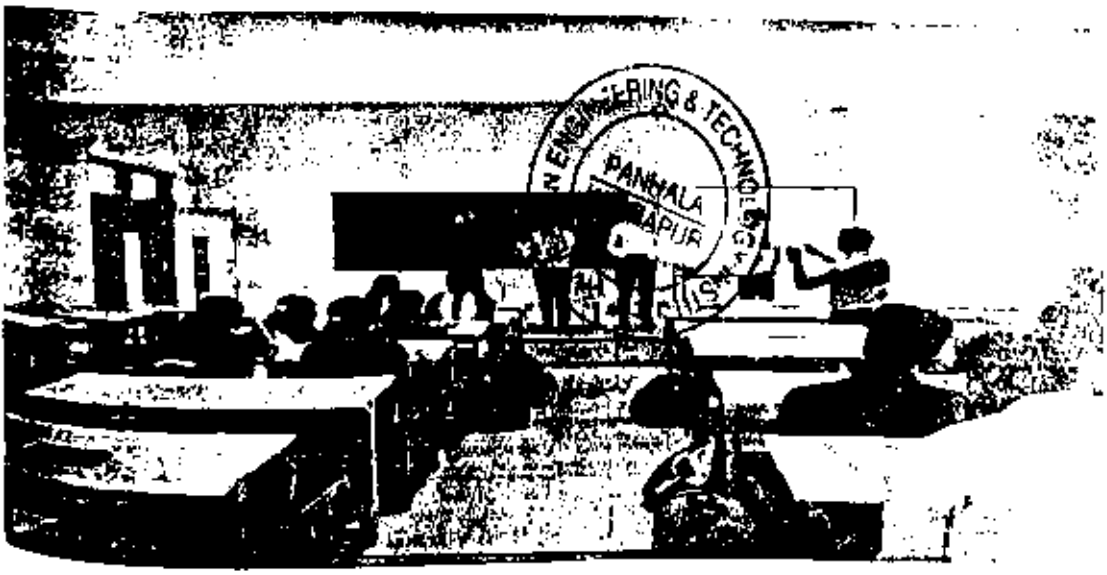

3. Venue: First Year (206 Classroom)

4. Organized by: Training and Placement Cell & Basic Science and Humanities

5. Resource Person / Speaker: Mr. Vishwanath pawar

Introduction:

The Entrepreneurship Development Program (EDP) conducted for 54 first-year engineering students was spearheaded by Vishwanath Patil, Head of the Business and Young Startup Program (BYSP). The primary objective of this program was to instill an entrepreneurial mindset among students and equip them with the necessary skills and knowledge to embark on entrepreneurial ventures.

Program Overview:

Vishwanath Pawar initiated the program by outlining the significance of entrepreneurship in today's dynamic business landscape. He emphasized the role of innovation, creativity, and resilience in driving entrepreneurial success and encouraged students to explore entrepreneurial opportunities.

Key Discussion Points:

1. **Understanding Entrepreneurship:** Patil delved into the fundamentals of entrepreneurship, including identifying market opportunities, understanding customer needs, and developing viable business ideas. He emphasized the importance of problem-solving and value creation in entrepreneurial endeavors.

2. **Business Planning:** The program included sessions on business planning, market research, and feasibility analysis. Patil guided students through the process of drafting business plans, setting objectives, and formulating strategies to achieve business goals.

3. **Financial Management:** Recognizing the importance of financial literacy in entrepreneurship, Patil provided insights into budgeting, financial forecasting, and managing cash flow. He highlighted the significance of financial discipline and prudent decision-making in ensuring the financial sustainability of a business.

4. **Risk Management:** Patil discussed the various risks associated with entrepreneurship, including market risks, operational risks, and financial risks. He emphasized the importance of risk assessment and mitigation strategies in minimizing potential threats to business success.

5. **Networking and Mentorship:** The program emphasized the value of networking and mentorship in entrepreneurship. Patil encouraged students to leverage their networks, seek guidance from experienced entrepreneurs, and actively engage with industry stakeholders to foster collaboration and growth.

SANJEEVAN ENGINEERING & TECHNICAL INSTITUTE
PANHALA
KOLHAPUR

Interactive Workshops and Activities:

To facilitate active learning and engagement, the program included interactive workshops, case studies, and group activities. Students had the opportunity to brainstorm ideas, collaborate on projects, and receive feedback from peers and mentors.

Conclusion:

The Entrepreneurship Development Program led by Vishwanath Patil provided first-year engineering students with a comprehensive understanding of entrepreneurship and equipped them with essential skills and knowledge to pursue entrepreneurial ventures. By fostering an entrepreneurial mindset and providing practical insights into business planning and management, the program aimed to inspire students to unleash their entrepreneurial potential and contribute to economic growth and innovation.

Recommendations:

- Offer ongoing support and mentorship to students interested in pursuing entrepreneurial ventures.
- Organize networking events, pitch competitions, and incubation programs to provide students with opportunities to showcase their ideas and receive guidance from industry experts.
- Collaborate with industry partners and alumni networks to create internship and employment opportunities for aspiring entrepreneurs.

3. **Venue:** First Year (208 Classroom)
4. **Organized by:** Training and Placement Cell & Basic Science andHumanities
5. **Resource Person / Speaker:** Dr. Ajay Maske

INTRODUCTION:

The counseling session held for 86 first-year engineering students was conducted by Dr. Ajay Maske, the Training and Placement Officer.. The session aimed to provide guidance on career prospects, skill development, and professional growth opportunities within the engineering field.

KEY OBJECTIVES:

Introduce students to the importance of career planning and skill development from the outset of their academic journey.

Offer insights into industry trends, job market dynamics, and the expectations of potential employers.

SANJEEVAN ENGINEERING & TECHNOLOGY INSTITUTE PANHALA KOLHAPUR

Provide guidance on enhancing employability skills, such as communication teamwork, and problem-solving.

Discuss strategies for internship and co-op opportunities to gain practical experience.Address any career-related queries or concerns raised by the students.

Session Overview: Dr. Ajay Maske commenced the session by emphasizing the significance of early career planning and proactive engagement in skill development activities. He underscored the competitive nature of the engineering job market and the importance of acquiring both technical and soft skills to stand out to prospective employers.

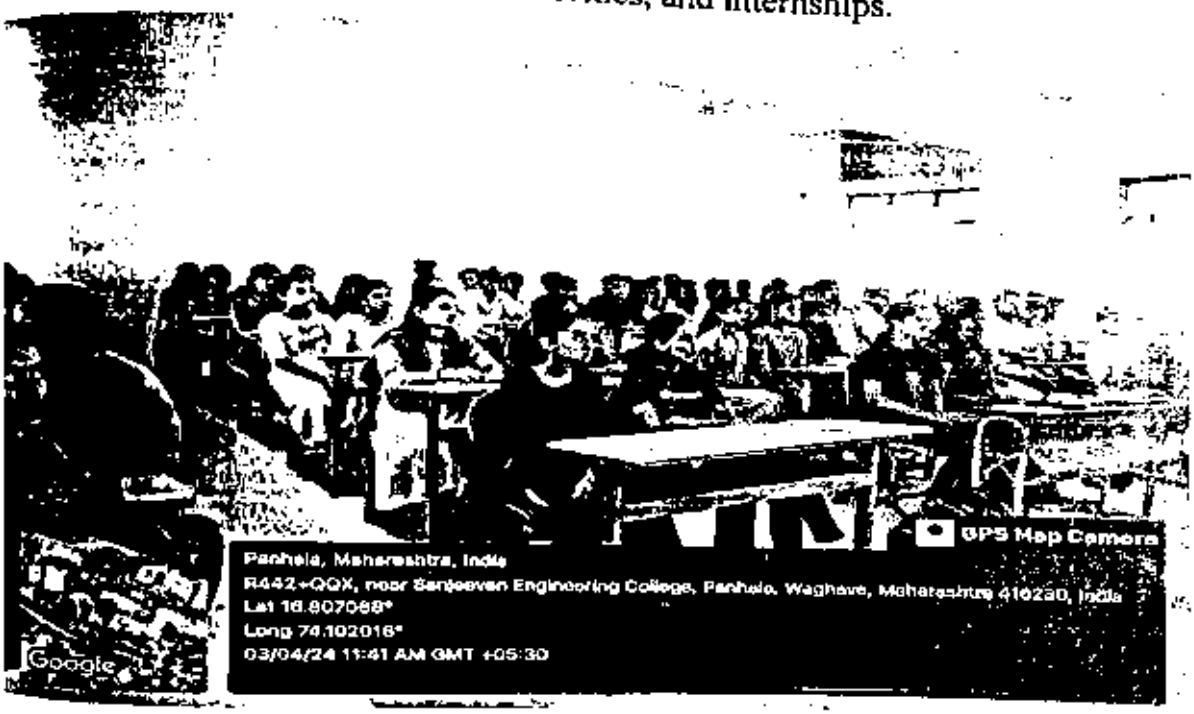

CAREER GUIDANCE:

Drawing upon his expertise as a Training Placement Officer, Dr. Maske provided valuable insights into various career paths available to engineering graduates. He discussed emerging trends in the industry, highlighting areas of high demand and growth potential. Additionally, he encouraged students to

explore their interests and align them with career opportunities within the engineering domain.

SKILL DEVELOPMENT:

Recognizing the importance of a well-rounded skill set in today's competitive job market, Dr. Maske discussed essential employability skills beyond technical proficiency. He emphasized the significance of communication skills, teamwork, adaptability, and problem-solving abilities. Dr. Maske provided guidance on how students could develop and showcase these skills through academic projects, extracurricular activities, and internships.

INTERNSHIP AND CO-OP OPPORTUNITIES:

To provide students with practical exposure to the industry, Dr. Maske discussed the importance of pursuing internship and co-op opportunities during their academic tenure. He elaborated on the benefits of gaining hands-on experience, networking with professionals, and exploring different career paths. Dr. Maske offered guidance on how students could effectively search for and secure internships relevant to their field of study.

OPEN FORUM:

The session concluded with an open forum where students had the opportunity to ask questions and seek personalized advice. Dr. Maske patiently addressed each query, offering tailored recommendations and insights based on individual career aspirations and interests. He reiterated his commitment to supporting students throughout their academic and professional journey, encouraging them to take proactive steps towards their career goals.

CONCLUSION:

Dr. Ajay Maske's counseling session provided first-year engineering students with valuable insights and guidance on navigating their career paths. Through a combination of industry expertise, practical advice, and personalized support, Dr. Maske equipped students with the knowledge and tools necessary to succeed in the competitive engineering job market. His dedication to student success and professional development was evident throughout the session, fostering a culture of ambition and empowerment among attendees.

Resource Person: Dr.Sambhaji V.Chavan Patil

Organized by: BSH Department, Sanjeevan Engineering & Technology Institute, Panhala

Program Coordinator: Prof.Khan Nilofer G.

Objective: Awareness of importance of Mathematics in Science & Engineering

The Student Development Program on **"ENGINEERING MATHEMATICS"**has been organized by the BSH department for training point of view. The objective of this SDP was to flourish the basic knowledge & practical approach of Engineering Mathematics. The SDP which was held under guidance and support of Prof.S.P.Nangare, H.O.D BSH department and Dr.S.N.Jain, Principal, SETI, Panhala. Students are flourished with the throughly knowledge of Engineering Mathematics.Total 67 students of First Year B.Tech had attended the sessions. The students from are benefited with the practical knowledge of Engineering Mathematics. The sessions was conducted from 27/05/2024 to 28/05/2024.As per the schedule the various topics are covered during the sessions.Thanks to all faculty members who has contributed in this training session.Hope we will have much more such knowledgeable SDP and guest lectures as well.

Subject: - Regarding permission for 3 days student Development Program (SDP) on Engineering Mathematics.

Respected Sir,

As per your direction and suggestions got form head of department Basic Science and Humanities, we are arranging **Student Development Program** on **'Engineering Mathematics'** at Our Department for first year students. The purpose of the SDP is to enhance students' understanding and application of mathematical concepts in the field of engineering. Through a series of interactive workshops, lectures, and hands-on activities, participants will have the opportunity to deepen their knowledge which will be helpful for students to learn Advance Engineering Mathematics. We kindly request your consideration and support in endorsing and promoting this initiative among students. We kindly request your support in arranging qualified resource persons and necessary resources for the successful implementation of the programme and allow as arranging the same. The schedule of SDP is as follows.

Subject: Invitation to Guest Lecture at Student Development Program

Respected Sir,

The Basic Science and Humanities Department of our Institute is organizing a student development program for first year Degree students on on 27th May 2024 to 29th May 2024. On the behalf of Basic Science and Humanities Department, we are delighted to extend an invitation to you to be a guest lecturer at this program. We are particularly impressed by your work in teaching mathematics (35yrs), and we are confident that your participation would greatly enrich our program. We would be honored if you could deliver a lecture on proposed topic which we believe would deeply resonate with our students and inspire them.

We hereby request you to accept our invitation as a resource person. We look forward to the possibility of welcoming you to our institution and are eager to provide our students with the opportunity to learn from your esteemed knowledge and experience.

Thanking you.

Respected Sir,

The Basic Science and Humanities Department had organized a student development program for first year Degree students on 27th May 2024 to 29th May 2024. On behalf of Basic Science and Humanities Department, I would like to extend our heartfelt gratitude for the insightful and engaging guest lecture you delivered on 27th May 2024 to 29th May 2024. Your expertise in engineering mathematics subject was evident, and your ability to connect with our students was truly commendable. The knowledge and experiences you shared have provided invaluable perspectives that will significantly contribute to their academic and professional growth. We deeply appreciate the time and effort you took to prepare and present such a meaningful lecture.

Once again, thank you for your valuable contribution to our student development program. We look forward to the possibility of collaborating with you again.

Title of Event: **National Sports Day**

Date of Event: **29/08/2023**

Time: **09:00 am**

Venue: **SETI Panhala**

NSS had organized a **"National Sports Day"** celebration in Sanjeevan College of Engineering and Institute, Panhala on 29/08/2023. It is celebrated to commemorate the birth anniversary of the hockey legend Major Dhyan Chand. The day also serves as a reminder for all of us to recall the contributions, determination and extraordinary achievements of the athletes and their influence on shaping society.

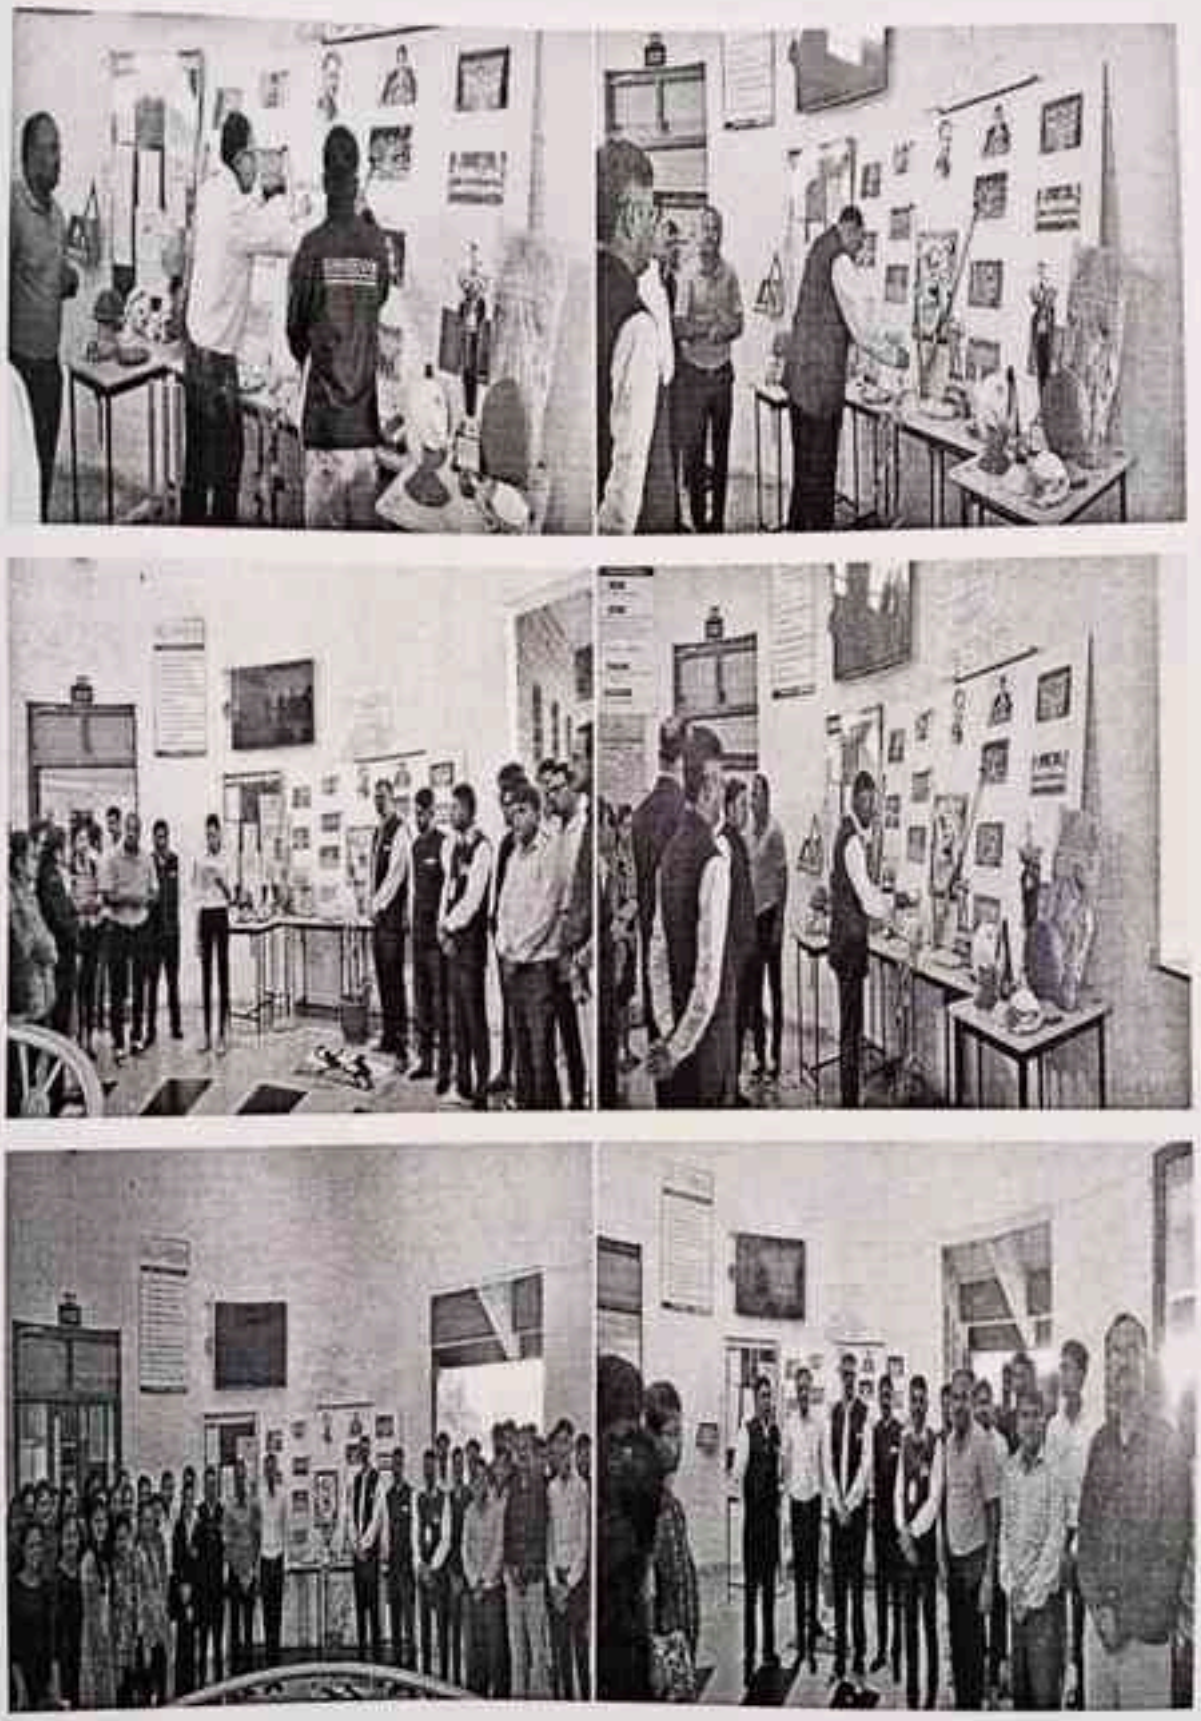

All NSS students and faculties were present to celebrate the National Sports Day. The photo of Major Dhyan Chand was worshipped. Joint Secretary N.R. Bhosale Sir and Principal Dr. Sanjeev Jain Sir guided and created awareness about sports.

Dear Respected Sir,

I am writing to express my heartfelt gratitude to you and your team for organizing the recent blood donation camp in collaboration with Vaibhavilaxmi Blood Center Kolhapur.

The camp was a remarkable success, with numerous donors stepping forward to contribute to this noble cause. This achievement would not have been possible without your meticulous planning, coordination, and dedication.

Thanks to your initiative, we were able to collect 37 units of blood, which will go a long way in saving lives and supporting those in critical need. Your efforts have not only helped replenish blood banks but have also raised awareness about the importance of blood donation.

We deeply appreciate the time, resources, and energy you invested in this event. Your commitment to community service is truly commendable, and it sets a shining example for others to follow. Please extend our gratitude to everyone involved in making this blood donation camp a success.

We look forward to the opportunity to collaborate with you on future initiatives.

Warm regards,

Mr Anmol V. Kamat

Grievance Redressal Policies

1. Anti-Ragging

AICTE has notified regulation for the establishment of a mechanism for grievance redressal Committee for all the AICTE-approved technical Institutions vide no. 37-3/Legal/2012 dated 25.05.2012. To ensure transparency by technical institutions imparting technical education in admission to prevent unfair practices and provide a mechanism to the student to redress their grievances.

2. Definition

"Grievances or Complaint" includes any communication that expresses dissatisfaction or harassment concerning the conduct or any act of omission or commission or deficiency of services and in the nature of seeking remedial action.

The grievances may broadly include the following complaints of the aggrieved students.

a) Academic
b) Non-Academic
c) Grievances Related to Assessment
d) Grievances Related to Victimization
e) Grievances Related to Attendances
f) Grievances related to charging of fee
g) Grievances regarding the conduction of Examinations
h) Harassment by colleague students or the teachers etc.
i) Harassment of Women at a Workshop
j) Harassment of SC/ST students and faculty

3. Objectives

This Policy aims to set forth the policies and procedures to be followed in receiving, handling, responding to, and resolving any grievance against persons/departments/institutes concerning

its services. While dealing with the complaint the committee at all leaves will observe law of natural justice and hear the complaint and concerned people.

The students [Gents & Ladies] and faculty [Teaching and non-teaching] are the main stakeholders in any institution imparting education, and it's our endeavour to make all efforts to ensure transparency in all the activities at different stages. Considering this spirit, the Institute has decided to provide a mechanism to students to redress their grievances.

- The following are broad objectives for handling the grievances:
- To provide fair and equal treatment to all stakeholders without bias.
- To ensure that all issues raised by stakeholders are dealt with kindly and resolved in stipulated timelines.
- To develop an adequate and timely organizational framework to address and resolve stakeholders' Grievances fairly and equitably promptly.
- To provide an enhanced level of stakeholder satisfaction.
- To provide easy accessibility to the stakeholders for an immediate Grievance redressal.
- To put in place a monitoring mechanism to oversee the functioning of the Grievance Handling Policy.

4. How to raise the grievance

The stakeholders can raise grievances through the following modes:

Phone Message / Call: Message /call to contact number specified on the institute website to **register the complaint**

Email: The stakeholders may write a complaint on the email id specified on the institute website to **register the complaint**

Letter: The stakeholders can write a letter to the authorities.

Website: The stakeholders may also raise grievances by writing complaints on the grievance redressal portal (http://www.seti.edu.in/). The grievance redressal portal is available on the Institute's official website. (http://www.seti.edu.in/).

5. Maintenance of records of grievance and reporting

The Chairman of the grievance committee preserves all records pertaining to the grievance/complaint received, the resolution, and the closure of the grievance. The complaint shall be transferred to the concerned intermediary within three working days, provided that resolution time shall not exceed 30 days from the date of the receipt of the complaint from the complainant.

6. Closure of grievance

Every grievance shall be disposed within thirty days of receipt, and a final reply shall be sent to the complainant, containing details of the resolution or rejection of the complaint, with reasons recorded in writing.

7. Escalation of grievances

The stakeholders whose grievance has not been resolved by the intermediary within thirty days from the date of submission or who are not satisfied with the resolution provided by the respective committee shall prefer an appeal to the Head of the institution against the concerned intermediary or entity.

8. Policy to handle major grievances

Major grievances, such as problems involving legal matters, are referred to the Institute's management. Appropriate action is carried out as per guidance provided by management.

If a grievance involves external agencies, the matter is referred to appropriate authorities for future action.
